

Challenge Scholars Dream Fund

GRANT APPLICATION GUIDELINES

For Requests up to \$10,000

We believe that if students in West Side schools are:

motivated by their future and feel supported by caring adults,
engaged in learning and achieving at or above grade level and
ready, willing, and able to attend school every day
then they will be prepared for college or career training.

The Challenge Scholars Dream Fund offers financial support to projects that help students feel motivated, be engaged in school and have great attendance. Due to the challenges that students and families are encountering as a result of COVID-19, the Dream Fund Committee is shifting its focus. **Accordingly, projects funded by the Dream Fund must address one of the following priorities:**

- **Increase equitable access to high quality teaching and learning as educational delivery is occurring virtually.** *We especially want to encourage creativity in this new educational setting to help students, families and teachers to prepare for and continue learning in new ways.*
- **Support family and community networks in finding creative ways to partner and give voice to how they want to be supported by and stay connected to schools, neighborhoods and community during these changing times.** *We especially want to give voice to parents and families in the planning, development, and implementation of new educational solutions (in/out of school environments).*

ELIGIBILITY

Individuals, non-profit organizations with a 501(c)(3) status, and staff from West Side schools (Sibley Elementary, Stocking Elementary, Harrison Park School, Westwood Middle School or Union High School) may apply for grants for programs that benefit Challenge Scholars on the West side of Grand Rapids.

Projects should be inclusive. Participation in projects must be open to individuals of any race, ethnicity, gender, religion, marital status, sexual orientation, age, national origin or disability. Applications from religious organizations for non-religious purposes will be considered.

Funded projects led by individuals who are not associated with a school or non-profit will need to consult with Challenge Scholars Director, Cris Kutzli, to review and select a payment option.

APPLICATION PROCESS

Grant applications must be submitted electronically using the online application form linked on the Challenge Scholars website: www.challengescholars.org.

HELPFUL HINTS FOR APPLYING

- Have a clear-cut, organized goal with clear benefits for Challenge Scholars or students attending Sibley, Stocking, Harrison Park, Westwood or Union.
- Be original, unique, well written and CREATIVE!
- Involve multiple stakeholders (i.e. students, and teachers, or parents and teachers) in planning and implementation.
- Clearly address at least one of the accelerants listed above.
- When describing how funds will be used, include estimated costs of items to be purchased with grant funds.

GRANT APPLICATION QUESTIONS

The grant application must be completed online through the link found at www.challengescholars.org, the application requests the following information:

- **Contact information**
 - Primary contact person name, email address, and phone
 - Names of other individuals involved in planning or carrying out the project (if applicable)
 - If the project will take place in a school, select the school/s involved. ****Principal approval is required for all school-based projects****
- **Project Information**
 - Project name
 - Which priority area (select one) does your project address?
 - Describe how or why this project will address the priority area selected above (200 words or less)
 - What is the goal of your project? Your goal should be Specific, Measurable, Attainable, Realistic, and Timely. (50 words or less)
 - Project start and end dates.
 - Describe your project as instructed below. (300 words or less)
 - Provide a detailed description of the proposed project or program (who, what, where, when and how)
 - Include a timeline
 - Specify how often the activity will take place, the location, length of each session, and on how many occasions the activity takes place (For example, an activity occurs twice each week for six hours per week, over a ten-week period).
 - Amount of funding requested
 - Is there anything else we need to know about your proposal?
- **Budget information**
 - How do you plan to use the money? (150 words or less)
- **Additional questions for requests between \$1,001 and \$10,000:**
 - Which groups are involved in the project (students, parents, teacher/school staff, or community partners), and how are they involved? (50 words or less)
 - Imagine that your project is complete and it was a smash-hit. How would you know it was successful? (200 words or less)
 - Is this a one-time project, or an ongoing project? If it is ongoing, how will you continue to fund the project after the money is gone?

SELECTION AND PAYMENT PROCESS

A committee of Challenge Scholars students, parents, teachers/staff, and representatives from community-based organizations on the West Side will review it. We'll let you know if your project is receiving funding within 4-8 weeks.

If your project receives funding, GRCF staff will contact you to share details on how to access the dollars and the reporting (photos, written description of the project) that you'll need to submit after the project is completed.
