*Process for requesting eligibility reconsideration and scholarship deferment

We understand that special circumstances may arise regarding eligibility requirements or the need to defer a scholarship award. Grand Rapids Community Foundation may make exceptions to eligibility requirements (including continued eligibility) or defer scholarship awards from time to time. Below are some examples of situations in which we may reconsider eligibility or deferment; however, Grand Rapids Community Foundation is not required to permit exceptions or deferments and makes such determinations in its sole discretion.

- A high school student who fails to meet eligibility criteria listed above for GPA, attendance rate, or continuous enrollment may submit an appropriate Eligibility Reconsideration Request form for special consideration. The form is available from the College/Career Coordinator at Union High School or from Challenge Scholars staff at the Grand Rapids Community Foundation.
- Note that a high school student who has a 180 expulsion will not be reconsidered for eligibility.
- A scholarship award may be deferred for up to one academic year before starting at the eligible college or university with prior approval before high school graduation.
- A college student who does not enroll in full time classes or who takes a semester off may have his or her scholarship deferred, but it is important that requests for special consideration are sent to us in advance of reducing course hours. Please contact the Challenge Scholars staff at the Grand Rapids Community Foundation for discussion.

If you have questions regarding eligibility requirements or would like to request an exception or deferment, contact Challenge Scholars staff at the Grand Rapids Community Foundation at gestrada@grfoundation.org or 616-454-1751.
